

RISK: Global Domination Game

User Manual

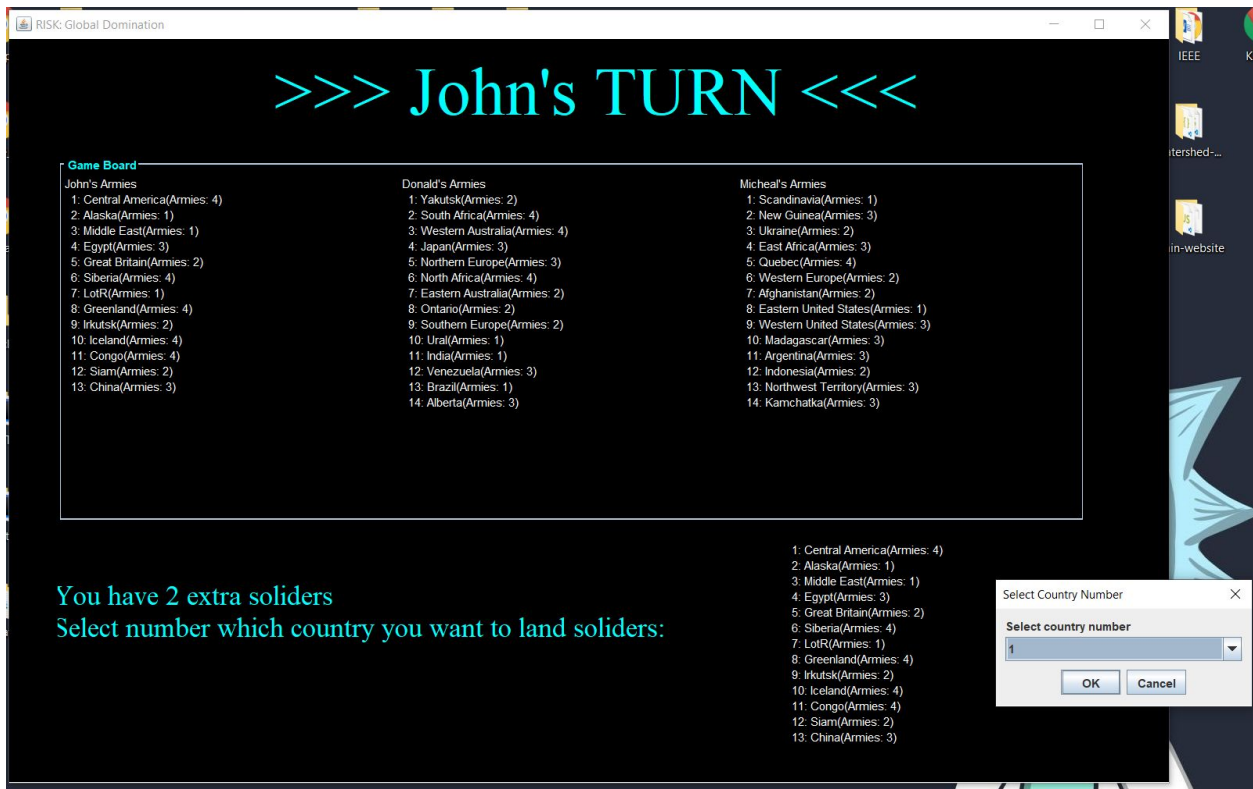

1. Select the number of players by clicking the respective buttons.

2. Add Player Names in the Text fields and press OK to start the game.

3. The topmost Panel shows which Players turn it is.
4. The Game Board shows a whole picture by showing armies of each player.
5. The bottom left Panel gives instructions based on land, attack or fortification stage of the player's turn.

6. Use the popup window to select the interested country. (Do not close this window)
7. The bottom right Panel shows the number associated with the country in the popup window.
8. Continue the turns until a player wins. Enjoy!
