

RISK: Global Domination Game

User Manual

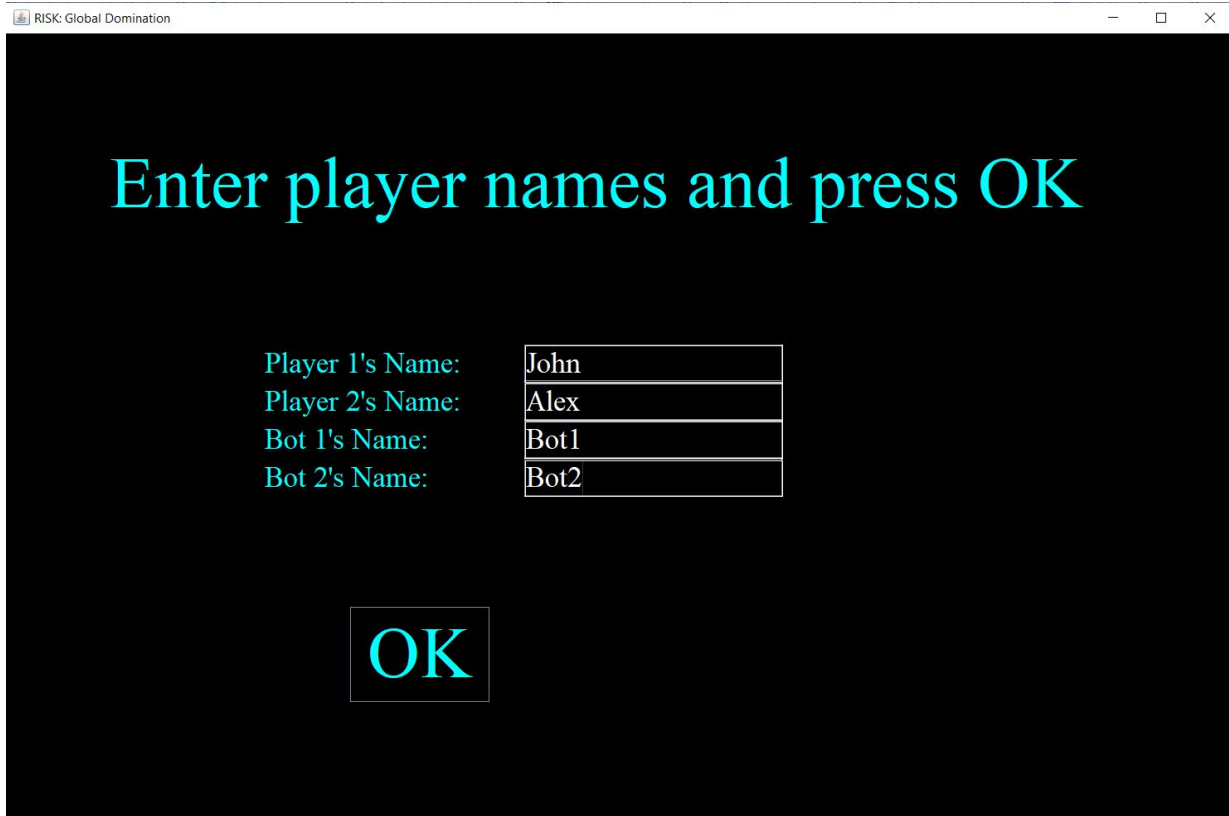

1. Select the number of players by clicking the respective buttons.

2. Select the number of bots (AI Players)

3. Add Player Names and Bot Names in the Text fields and press OK to start the game.

The screenshot shows a window titled "RISK: Global Domination". The main text in the center is "Enter player names and press OK" in a large, yellow, serif font. Below this, there are four labels in yellow text: "Player 1's Name:", "Player 2's Name:", "Bot 1's Name:", and "Bot 2's Name:". To the right of each label is a text input field. The fields contain the following text: "John", "Alex", "Bot1", and "Bot2". At the bottom center, there is a large yellow button with the text "OK" in a bold, serif font.

Player 1's Name:	John
Player 2's Name:	Alex
Bot 1's Name:	Bot1
Bot 2's Name:	Bot2

OK

4. The topmost Panel shows which Players turn it is.
5. The Game Board shows a whole picture by showing armies of each player.
6. The bottom left Panel gives instructions based on land, attack or fortification stage of the player's turn.
